

AMJAD RAFIQ SP: THE DECEPTIVE EMOTIONAL BABBLER v1.0

AMJAD RAFIQ : THE DECEPTIVE EMOTIONAL BABBLER v1.0

The venomous **emotional babbler** Amjad Rafiq just released an article entitled "**Fabrication of Khalid bin Uthman al-Misryy Against Abu Khadijah and Salafis in the UK**".

This article once again has exposed the true hidden reality of this evil melodramatic oppressive **self-taught** individual and the malice he harbours against the people of knowledge and against the Salafis in general. He has repeatedly demonstrated his hatred and envy for the people of knowledge and for any Salafi who refuses to bow down to him in complete submission. Writing - for this deceptive liar - has become a stress relieving activity, a form of therapy and a means to take revenge.

Amjad Rafiq and Spubs and their satellite campuses in general are extremely proficient in distracting the Salafi masses and are very experienced in the field of "character assassination". This is in fact a common trait amongst the

Sa'afiqah of the East and the West; **"Their hearts are alike"**. That is to say that every time strong, decisive, clear and incriminating evidence surfaces against the Sa'afiqah, instead of accepting it or at least attempting to "refute" it, they resort to deception, hurling abuse and they launch a series of smear campaigns. Likewise is the case when they get exposed conducting evil activities. Instead of putting their hands up and surrendering, they resort to cunning strategies in a feeble attempt to cover up their hideous crimes.

Another methodology that Amjad Rafiq, Spubs & their associates use to promote their falsehood, to disregard damning evidence against them and to cover up their crimes is that they mix the truth with falsehood. It is a well-known fact that no one will accept falsehood if it is presented as pure falsehood. So, the people of falsehood mix their falsehood with some elements of truth to make their falsehood and fabrications appealing to the public and more readily acceptable. And this is exactly what the Shaitan did when he addressed Adam عليه السلام and Hawa عليها السلام. Allāh The Most High says, **"Then Shaitan (Satan) whispered to him, saying : "O Adam! Shall I lead you to the Tree of Eternity and to a kingdom that will never**

waste away?" This is also precisely what Fir'aun did as Allah The Exalted says, "**Fir'aun (Pharaoh) said: "I show you only that which I see (correct), and I guide you only to the path of right policy!"** Allah The Most High says while addressing the Children of Israel, "**And mix not truth with falsehood, nor conceal the truth while you know (the truth)"**".

An additional strategy Amjad Rafiq, Spubs and their associates employ is the very same one as of the people of innovation and desires. This is the strategy of hiding behind certain scholars. Dear Salafi, reflect upon this statement of the insightful Imam, our Shaykh, Rabee **حفظه الله** :

This is a way from the ways of the people of innovation and Fitan in that they must **hide** behind a **personality** from the prominent personalities. So the Qadariyyah hid behind Al-Hasan. They wrote, spread and compiled treatises attributing therein - **untruthfully and falsely** - the [innovation] of Qadar to al-Hasan while he is not from them. The **Khawarij** used to **hide** behind other great personalities. The Khawarij used to hide behind Abu al-Sha'thaa Jabir bin Zaid who was one of the major students

of Ibn Abbas and he was from the major jurists. So this is from the **tricks of the people of innovation**. This is because their innovations would not spread if they were not to hide behind the imams of Islam. And this is exactly what many do; Qutbiyyah did not spread except by way of this **hiding** behind Ibn Taymiyyah, Ibnul Qayyim, Ibn Baz, al-Albani, Ibn Uthaimen and other personalities that are respected and accepted by the people across the world. They say: ***we are the students of ibn Baz upon the methodology of the Salaf, we are from the students of al-Albani, we are the students of ibn Uthaymeen. They make people believe that these imams are with them, so many of the youth who love knowledge, the scholars, Islam and the truth are deceived by their tricks. Their tricks deceive many people and therefore they fall into their nets.***

[Al-Dharee'ah: 2/101]

Amjad Rafiq started this article with a verse from the Qur'an and a Hadeeth regarding truthfulness.

He mentioned the saying of Allah The Exalted, "**O you who believe! Be afraid of Allah, and be with those who are truthful**".

In this short article we are going to insha'Allah examine just a few instances in order to ascertain whether or not Amjad, Spubs and their associates are **truthful** and whether or not they are with those who are truthful.

First and foremost, it is a well established fact that Amjad, Spubs and their associates are staunch defenders of the despicable Sa'afiqah. Spubs have taken the Sa'afiqah as their friends, companions and allies, and they make **Walaa and Baraa** on the basis of the Sa'afiqah. The Sa'afiqah have proven over and over again that they are **deceptive liars**. Evidence to show that these people are deceptive and that they are liars is Mutawaatir. No one denies this "**except him who befools himself**". The Sa'afiqah have established themselves to be well-known liars by way of voice recordings, tweets, WhatsApp messages and testimonies from the truthful Salafis from across the world including some of the scholars and students of knowledge. There are so many testimonies that it is not possible for the truthful witnesses to have gathered to agree upon a lie.

The Salaf Would Make A Judgement Of An Individual By His Companionship

Abu Hurairah رضي الله عنه said, the Messenger of Allaah said, **"A person is upon the religion of his friend, so let each one of you look at whom he befriends."** [*Al-Silsilah Al-Saheehah*, no. 927]

Abdullah Ibn Mas'ood - may Allah be pleased with him - said, **"Indeed a person only walks with and accompanies the one whom he loves and who is similar to him."** [*Al-Ibaanah*, no. 499]

Imaam Al-Awzaa'ee said, **"Whoever hides his innovation from us cannot hide his friendship from us."** [*Al-Ibaanah*, no. 508]

We would also like to remind the reader that Amjad & Spubs are the very same people who claim that Dr. Abdullah Bukhari is on the same page as Shaykh Rabee,

The Shaikh, the Allāmah, the Faqeeh, 'Ubayd Al-Jābirī comments on Hānī Ibn Buraik.

The scholars of Madinah: The Imām of the Sunnah Rabee' Al-Madkhali, and Shaikh Ubayd, Shaikh Muhammad Ibn Hādī and Shaikh Abdullah Al-Bukhārī all on the same page regarding Hānī Buraik. The Manhaj and 'Aqeedah of the Scholars is one:

"This knowledge will be carried by the trustworthy ones of every generation. They remove from it the distortions of those who go beyond bounds, the lies of the falsifiers, and the false interpretations of the ignorant." Shaykh Ubayd and Shaykh Muhammad bin Hadi in relation to his stance on the Khariji Hani Buraik!

We have on several occasions requested from Amjad & Spubs to provide evidence to support their claim that Dr. Abdullah Bukhari is on the same page as Shaykh Rabee, Shaykh Ubayd and Shaykh Muhammad bin Hadi regarding the Khariji Hani Buraik.

However, till this date they have not been able to do so and they will not be able to do so "**until the camel goes through the eye of the needle**". This is because Amjad and Spubs are outright **liars**. Dr. Abdullah Bukhari's stance on Hani Buraik is not in any way the same as the other three scholars. Rather, the last public speech of Dr. Abdullah Bukhari regarding Hani Buraik is where Dr. Bukhari defends Hani Buraik and strongly rebukes those who warn against him. This speech was before Hani deviated and before he adopted the methodology of the Khawarij. After Hani adopted the Khariji Manhaj, Shaykh Rabee, Shaykh Ubayd and Shaykh Muhammad bin Hadi all refuted Hani. However, till this date Dr. Abdullah Bukhari **has not** said a word against Hani nor has he **refuted** his evil Manhaj. Rather, after the brother Abu Usama Kori spread the refutation of Shaykh Ubayd on Hani Buraik, he almost

immediately received a call from Dr. Bukhari. The call lasted twenty-five minutes in which Dr. Bukhari expressed his great dissatisfaction with the refutation of Shaykh Ubayd against Hani and reprimanded Abu Usama Kori for spreading the refutation. Please note that this phone call was made by Dr. Bukhari after the three scholars had warned against this Khariji! This is why Shaykh Muhammad bin Hadi said in his famous lecture (The time has come for Muhammad bin Hadi to break his silence), **"Rather, where is the brother Abdullah al-Bukhari?! I say it openly: Why do we not hear from him a single word in defence of the Sunnah and in criticising Hani Buraik, and in criticising the one (Hani) who has opposed the foundations of Ahlul Sunnah?!"** Moreover, in accordance with the Salafi Manhaj, Dr. Bukhari's anger for the sake of this Khariji and his affection towards him is considered to be aiding him and his Bidah. The books of the Salaf are full of narrations warning against showing any form of affection to Ahlul-Bidah. Rather, the Salaf were united and agreed upon having enmity towards Ahlul-Bid'ah and to boycott them.

Then after a short period of time, Shaykh Ubayd **recanted** his initial warning and refutation against Hani Buraik!!

Dear Salafi, look at how the Sa'afiqah played around with Shaykh Ubayd and look at how they betrayed the trust that the Shaykh has for them! Then once again Shaykh Ubayd changed his mind and refuted Hani Buraik another time. This is just one proof of how the Sa'afiqah play around with the scholars, how they **disrespect** and **deceive** the scholars and how they use their closeness to the scholars to **attain Fataawa** that conform to their desires.

Ya Amjad! If you are a true man, **come to the battlefield with the sword of evidence, and leave aside the ways of the riff-raff who have nothing but conjectures and outright lies!**

From the above it can be clearly seen that Amjad, the Jamiyyah (Spubs) and their associates have all lied regarding Dr. Abdullah Bukhari's position on the Khariji Hani Buraik.

Dr. Abdullah Bukhari said, **"...therefore criticising a narrator for lying, is this a detailed criticism or not? It is detailed as opposed to the one who seeks to obscure this**

and deny that lying is not a detailed criticism". [*Sharh 'ilalus Sagheer by Tirmidhi, no. 7*]

Dr. Abdullah Bukhari also said, **"They say lying is not a detailed criticism. If lying is not a detailed criticism, then what is?!"** [Friday gathering on 22/03/1438]

Ya Amjad! You and the Jamiyyah must take the above fabrication back and apologise, and know that until you do so, you are not unlike the riff-raff.

"Enjoin you Al-Birr on the people and you forget (to practise it) yourselves"?!

"O you who believe! Be afraid of Allah, and be with those who are truthful".

Ya Amjad! Let us ask you another question while you search for the answer for the aforementioned issue. During the last several days, your treacherous companions and associates from the likes of **Mpubs** (run by the ignoramus, unqualified and unfit **Yusuf Diab**), **At-Tarbiyah South Florida**, **Masjid Al Uthaymeen**, **SunnahPubs** and **SalafiCentre Manchester** have all been caught

shamelessly **lying** upon Shaykh Hasan Al-Banna حفظه الله and deceiving the Salafi masses. Ya Amjad! We have yet to hear a single word from you and the Jamiyyah in regards to these treacherous people. **"If we hear or see nothing, we can't be blamed for taking this as silent agreement"**. Rather, we have yet to hear a single word from the above despicable people; they have not openly repented for their hideous crimes nor have they recanted! Or is it the case that you, the Jamiyyah and your treacherous associates believe that you will not be held accountable for your repulsive crimes?! They must take it back and apologise, and know that until they do so, they are not unlike the riff-raff.

Ya Amjad! People who live in glass houses shouldn't throw stones.

This also reminds us of the well-known Arabic proverb:

She accused me of her defect, and then sneaked away.

"Enjoin you Al-Birr on the people and you forget (to practise it) yourselves"?!"

"O you who believe! Be afraid of Allah, and be with those who are truthful".

Let's look at another scenario. Amjad is that same emotional babbler who dismissed the refutations of Shaykh Muhammad bin Hadi against Ibrahim al-Ruhaili as emotional babble after having utilised them for a number of years. So, either you - Ya Amjad - deceived the people back then by using Shaykh Muhammad's refutations due to them conforming to your desires and due to them fulfilling your personal agendas or you are deceiving the people now! Is this not utmost treachery?! Is this not utmost deception?! Ya Amjad! Were you lying back then or are you lying now?! **Please refer to the following article for a detailed refutation regarding this issue.**

<http://saafiqah.com/?p=590>

Imam Muqbil رحمه الله said, **"The pillars of Hizbiyyah are three: Deception, treachery and lying!"** *[Rahalaat Da'wiyyah p. 114]*

Furthermore, Amjad the deceptive treacherous liar continues to shamelessly make reference to a resolution

that he says that Shaykh Muhammad bin Hadi signed - in the Fitnah of Ibrahim al-Ruhaili - agreeing that he would not speak against the students of knowledge. The point that this deceptive individual is trying to make here is that Shaykh Muhammad has opposed the ruler by warning against the despicable Sa'afiqah. Amjad and the Jamiyyah have known about this document since the day it was issued or at least since the approximate time it was issued. So, Amjad, are you trying to say that since the time that this resolution was issued, no member of the Jamiyyah (Spubs) or any of its satellite campuses (USA, Canada, Trinidad) have ever - in public or private - asked Shaykh Muhammad bin Hadi or have ever had discussions with the Shaykh regarding any of the scholars or students of knowledge?! So, Amjad, are you trying say that since the time that this resolution was issued, none of the members of the Jamiyyah or its satellite campuses ever discussed the issue of the Sa'afiqah with Shaykh Muhammad prior to your deviation from the Straight Path in this Fitnah of the Sa'afiqah?! So, Amjad, are you trying to say that since the time that this resolution was issued, none of the members of the Jamiyyah or its satellite campuses took any action after the initial public warning of Shaykh Muhammad bin

Hadi against the Sa'afiqah?! **"What is the matter with you? How do you judge?"**

Last but not least - Ya Amjad! - do enlighten us with the **money scandal** that took place in the town of Reading (UK). Take a few moments - in seclusion - to reflect upon the Reading money scandal that has shocked Salafis worldwide. Ya Amjad! Have you and the Jamiyyah (SP) sided with the truthful ones in this scandal or with the liars?! Rather, you despicable people have waged a war on the truthful ones - Allah's refuge is sought.

It has been brought to our attention by the truthful ones that in the Reading Markaz Scandal, you - Ya Amjad - and Abu Khadeejah have **sided with the liars** who misused £16,500 worth of government funds. The SP Hizb have not been able to defend themselves regarding the incriminating evidence against them. We advise them to **repent openly** for this oppression and Hizbiyyah, and we advise them to stop abusing and harming the truthful ones. And if you fail to do so, you are not unlike the riff-raff. Subhanallah, look at this corruption! And then you - Ya Amjad - have the audacity to accuse others of corruption and of being mischief makers whereas you and

the Jamiyyah are the ones who are the true evil mischief makers.

"Enjoin you Al-Birr on the people and you forget (to practise it) yourselves"?!"

This reminds us of the following tremendous Hadeeth. The Messenger of Allah صلى الله عليه وسلم said, **"What destroyed the nations preceding you was that if a noble amongst them stole, they would forgive him, and if a weak (lowly) person amongst them stole, they would carry out the punishment on him. By Allah, if Faatimah, the daughter of Muhammad stole, I would cut off her hand"**. *Related by Al-Bukhari and Muslim.*

Allah The Exalted says, **"O you who believe! Stand out firmly for Allah and be just witnesses and let not the enmity and hatred of others make you avoid justice. Be just: that is nearer to piety, and fear Allah. Verily, Allah is Well-Acquainted with what you do"**.

So, Amjad, upon you, the Jamiyyah (Spubs) and your associates is to repent to Allah and you must all apologise to all the innocent Salafi brothers and sisters whose trust

you have betrayed. You have all behaved in a treacherous manner. And if you fail to do so, you are not unlike the riff-raff.

We will for now suffice with these few very recent examples showing these people's lying, deception, treachery and how they apply the rulings of the Sharee'ah only on those who refuse to bow down to them in complete submission - something that even the Western Sa'afiqah know full well. As for the other issues they will also be addressed in due course insha'Allah.

"Then is there any that will remember (or receive admonition)?
